Centers for Disease Control and Prevention
Wilderness & Global Health Educational Experience
Patient Demographics
2) Disaster Preparedness
Disaster Preparedness
3) Humanitarian Response & Global Health
Ascendancy of Global Health
“Gold Rush” of Global Health Programs

• Wide spectrum of efforts and institutional commitments

• Like yesteryear, success will not only depend on luck, but also preparation.
Data deficit

What is the situational awareness of students in LMIC’s who have grown up in an OSHA certified world?
